

BREATHE CLEANER AIR

COWAY Storm

Storm is the ultimate air purifier specially designed to provide optimal air circulation, which provides the best condition for breathing clean air. Designed for areas up to 100 m². Equipped with intelligent four step filtering. Recommended by all the Nordic Asthma and Allergy Associations*.

Storm is the air purifier with four effective filters (pre-filter with an extra fine dust filter, deodorant filter and HEPA filter) that purifies the air from pollen, microparticles, mold spores, bacteria and viruses, etc. It reduces the risk of developing asthma and breathing problems. In addition, it eliminates unwanted odors from cooking and other awkward smells. With intelligent control, Storm itself reads the level of purity in your home, minimizing power consumption and making you a true environmental friend. Storm is also equipped with a revolutionary airflow.
